

The 18th International scientific-practical Conference dedicated to the memory of Vasily
Matveevich Gorbatov

Theme of the conference:

“Development of the biotechnological and postgenomic technologies for assessment of agricultural
raw material quality and design of healthy food products”,
timed to coincide with the 85th anniversary
of the FGBNU “The V.M. Gorbatov All-Russian Meat Research Institute”

Dear colleagues!

We invite you to take part in the conference!

Conference will take place on 9 December 2015 at the The V.M. Gorbatov All-Russian Meat
Research Institute, 26, Talalikhina str., 109316, Moscow.

PROGRAM

December 9, 2015	
10 ⁰⁰ –10 ¹⁵	Opening of the conference Welcome Address Director of V.M. Gorbatov VNIIMP (Russia), academician of RAS <i>Lisitsyn Andrey Borisovich</i>
10 ²⁰ –10 ⁴⁰	Report of the representative of the Institute of Meat Hygiene and Technology (Serbia) <i>Branko Velebit, Ph.D.</i>
10 ⁴⁵ –11 ⁰⁵	Signing of an agreement on cooperation between the Institute of Meat Hygiene and Technology and VNIIMP
11 ¹⁰ –11 ³⁰	<i>Specialized lipid module as a key component of functional food products</i> FGBNU Institute of Nutrition (Russia) <i>Kochetkova Alla Alekseevna, D.Sci.</i>

11 ³⁵ -12 ⁰⁰	<p>Japanese legislation in the field of functional food products. Examples of Japanese functional products.</p> <p>Azabu University (Japan)</p> <p><i>prof. Ryoichi Sakata</i></p>
12 ⁰⁵ -12 ²⁵	<i>Discussions, exchange of opinions, brief reports</i>
12 ²⁵ -12 ⁴⁵	<i>Coffee break</i>
12 ⁴⁵ -13 ⁴⁵	<p><i>Bioactive peptides in meat raw material: recent achievements</i></p> <p>Kitasato University (Japan)</p> <p><i>prof. Keizo Arihara</i></p>
13 ⁵⁵ -14 ¹⁵	<p><i>Lactic acid bacteria and their role in the meat processing</i></p> <p>University of Veterinary and Pharmaceutical Sciences Brno, the Czech Republic</p> <p><i>Ines Lacanin, PhD.</i></p>
14 ²⁰ -15 ⁰⁰	<p><i>Progress in production of the organic meat products in China</i></p> <p>Chinese Academy of Agricultural Sciences (China)</p> <p><i>prof. Chen Lihong</i></p>
15 ⁰⁵ -15 ²⁵	<p><i>Influence of disinfectants on the genetic material of the bacterial pathogens specific for meat processing industry</i></p> <p>FGBNU Institute of Experimentally Veterinary Medicine of Siberia and the Far East, Novosibirsk (Russia)</p> <p><i>Afonyushkin Vasily Nikolaevich, Ph.D.</i></p>
15 ³⁰ -15 ⁵⁰	<p><i>Specialized and functional meat products with use of tissue specific biologically active substances: possibilities and risks</i></p> <p>FGBNU V.M. Gorbatov VNIIMP (Russia)</p> <p><i>Chernukha Irina Mikhailovna, D.Sci.</i></p>
15 ⁵⁰ -16 ²⁰	<i>Discussions, exchange of opinions, brief reports</i>
16 ³⁰	<i>End of the conference</i>
